THE SANCTUARY LIGHT BURNS FOR:
FOR PEOPLE TRAVELLING THIS SUMMER

Most Holy Trinity

I smile when Trinity reflections begin with how hard it is to explain the Trinity and then try to do just that. I promise not to do that....well, maybe just a little bit.

I see today's readings being about my relationships with others, with God and with my own self. For me, this feast is about healthy relationships. Relationships God sees as healthy are not always what I recognize as healthy. God is in the cloud of my unknowing, merciful and gracious. God is in my moments of love and peace, in right relationships. And yes, God's promise to us of eternal life is made real in the clouds and the relationships.

How will I remember in moments of doubt and unknowing, and moments of peace and right relationships, that God is present? How do I draw my inner sources of self from the core – from God – and reach out to those around me? Daily prayers, including Eucharist, community and outreach are elements that help me to remember, and to re-direct my focus on relationships with those around me. I trust I am not alone on my spiritual journey, and maybe my journey may help others on theirs.

This week, may the moments that challenge and the ones that console help us recognize God in our midst. That could be the hardest part of all.

**CELEBRATE THE SACRAMENT OF THE
ANOINTING OF THE SICK
THIS WEEKEND JUNE 10 & 11
AFTER ALL THE MASSES**

***Jesus the Divine Physician Come and Heal Us”*
Sacrament of the Anointing of the Sick?**

The Sacrament of the Anointing of the Sick is especially intended to strengthen those who are suffering serious illness. For a long time, this sacrament was celebrated only with people who were dying and for this reason came to be known as “last rites.” It was meant to give them strength to face death. But today, it is offered to support, encourage and comfort all those who are seriously ill. Participation in the celebration of this sacrament offers those who are sick an opportunity to open themselves to the healing power of God’s grace and to continue to grow in wholeness. In this sacrament, we meet Jesus who heals and consoles us by giving us the Holy Spirit. The Risen Lord comes to strengthen us in body, mind and spirit during our time of illness.

**Who should celebrate the
Anointing of the Sick?**

Those who are elderly and whose frailty is becoming more pronounced. Those adults and children who are suffering from a major illness, are facing surgery, serious medical test or have suffered a serious accident. Those who suffer from chronic illness such as arthritis or diabetes, or who suffer from a serious mental illness

**CELEBRATING SENIOR’S MONTH IN JUNE
THEME: LIVING YOUR BEST LIFE**

Current demographics indicate that senior adults are beginning to outnumber the younger generation and are living 20 to 30 years longer than previous generations. Seniors constitute a new generation in need of ongoing faith development and support through all the challenges and opportunities that mark the second half of life.

Did you know?

- There are 900 million persons in the world over the age of 60 and in Canada, there are more persons over the age of 65 than children under the age 15.
- Life expectancy has increased by 30 years over the past 100 years.
- Our potential for spiritual growth increases as we age.
- A new ministry is emerging in churches to support the faith development of “maturing adults” throughout the multiple transitions that mark the second half of life.

- The maturing adult (50+) population is comprised of three distinct groups: the pre-retired, the active retired and elders – each group having specific needs.
- Dealing with issues of loss is the central psychological and spiritual task of maturing years.
- Connection – with self, others, creation and God – is our greatest asset in the aging process.
