In our recent food drive, St Paul's School set a goal of 400 grocery items for the food drive and in fact collected over eight hundred. Congratulations to the students, parents and staff for this dedication.

TODAY!!

**24th Annual Mass of Memory
Sunday, October 26th
at 2:30 p. m.
at St. Paul's Basilica.**

All are invited to attend this annual mass to mark the place of the Irish in the early history of Toronto and an in a particular way in the Corktown area of the city.

CONGRATULATIONS!!!

Lorelle Angelo is our cantor at the 8:30 am mass and directs the choir and cantors at the 11:00 am mass. Congratulations are extended to Lorelle and her husband, Dan Norman, on the birth of their first child, a daughter, Sienna.

**Book of Remembrance
The month of Holy Souls**

The Book of Remembrance is at the back of the church today for those who may wish to include the names of the deceased members of your family or your circle of friends. It will be given a place of honour at the front of the church during the month of November, the month of Holy Souls.

Maintenance Collection

The Maintenance Collection will be taken up next week with the regular collection. Envelopes for this valuable effort for our parish can be found by the doors.

Altar Servers

Congratulations are extended to four of our altar servers who received diocesan altar servers awards from Bishop Kirkpatrick here at St. Paul's this weekend. Congratulations to Joshua Bishop, Timothy Calupiy, Riley Judge and Mark Ryan Quinonez, four dedicated members of our parish community.

Back Stairs

We have had the practice of providing access to the basement by way of the stairs on the parking lot side of the church by the elevator. During mass this requires that people walk to the front to go to the bathroom. One hopes that people of all ages including children will access the bathroom before mass begins, but if you have to go, you have to go. We have decided that we will open the backstairs door to the basement. The doors are at the end of the back vestibule near the model of the Vatican. This access will only be available during masses. The reluctance to do this in the past was related to given greater access to the hall which can be locked off when only the stairs by the elevator.
