Easter Sunday

This Sunday, we celebrate the great feast of Easter. It's a great feast for us, because God, in His perfect wisdom and love, took sin and the consequence of sin (death) and used them as the means of the salvation of the world. Jesus destroyed sin by destroying the consequences of sin which is death. Death loses in the Resurrection! Jesus' Resurrection takes away the effects of all sin for those who cling to Him.

That is why we must "cling" to our resurrected Lord! We must cling to Jesus who is alive and well. We must cling to His Resurrection and strive to share in it. But the problem is: *How do we cling to our Resurrected Lord?*

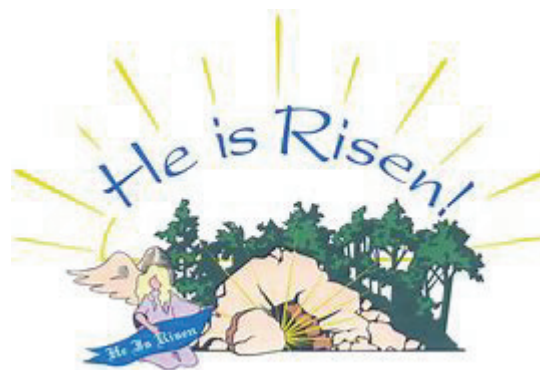

There are many ways to do it. Here is one. Take joy in everything. Start with whatever it is that burdens us the most. Whatever it is that makes us angry, sad or depressed. Whatever that is, it can potentially become one of our greatest sources of grace and joy. If the brutal Crucifixion of Jesus, the Son of God, can turn out to be the greatest event in all human history, then our personal suffering, our burden or even our sin can very much become a source of great joy as long as we let God transform it into part of His Resurrection!

Easter means that nothing can keep us from the joy that God wants to give us. Nothing can steal that joy away. So, let God fill us with hope and with the joy that only the Resurrection can bring and He wants Easter to begin now in our lives! Happy Easter!
