## **97<sup>TH</sup> WORLD DAY OF PRAYER FOR** **MIGRANTS AND REFUGEES**

**January 9, 2011** is the **97th World Day of Prayer for Migrants and Refugees** – it's a wonderful opportunity to pray for the plight of migrants and refugees and to reflect and pray for the work that is being done in your communities to assist migrants and refugees.

His Holiness Benedict XVI prepared a message to reflect on for this day – a link is included below. Here is a passage:

"Welcoming refugees and giving them hospitality is for everyone an imperative gesture of human solidarity, so that they may not feel isolated because of intolerance and disinterest". This means that those who are forced to leave their homes or their country will be helped to find a place where they may live in peace and safety, where they may work and take on the rights and duties that exist in the Country that welcomes them, contributing to the common good and without forgetting the religious dimension of life."

## **THE INNER NET: FOR YOUTH AND** **YOUNG ADULTS**

### **COMMUNITY, SPIRITUALITY, RECREATION**

The first Youth Night of 2011 will be held on **Friday, January 14, 7:30-9:30 pm at Jean Vanier High School.** Come out and join in the fun with your friends in the parish community. Our time together in community is followed by games in the gym and a pizza feast.

### **CHRIST AND CULTURE**

Believe it or not, the Vatican was one of the earliest adopters of social networking technology. Pope John Paul II was the first pontiff to use SMS ("short message service") technology, sending out a "papal thought of the day" to Italian mobile phone users. Upon his death in April 2005, Pope Benedict XVI followed suit — encouraging mourners with the admonition: "Let us go forth in the joy of the risen Lord and trusting in his permanent help", and embracing "texting" during World Youth Day 2008 in Sydney, Australia.

Since that time, the Vatican has embraced the world of social-networking for the purposes of evangelization:

- In December 2008, the Pontifical Council for Social Communications endorsed the iBreviary, a prayerbook created by Rev. Paolo Padrini and an Italian Web designer for use on Apple's iPhone.
- In January 2009 the Vatican announced its own YouTube Channel.
- In May 2009, the Pope joined the Facebook community with the launch of his own app(lication), Pope2You, enabling subscribers to "receive the messages of Pope Benedict XVI through the most important social network of the world."
- Last January, Pope Benedict XVI delivered a message for priests of the Catholic Church on the 44th World Day of Communications: They must proclaim the gospel by not only having a website, but by blogging and utilizing new web communication tools.
