THE MOST HOLY TRINITY

God's incredible love is totally incomprehensible. We can try to imagine it, and we can compare it to the love we experience as human beings, but the reality is that God's love is so overwhelming and unconditional, that it will never be possible for us to comprehend how great God's love is. That's why the feast we celebrate today, the Most Holy Trinity, can leave us with more questions than answers. In truth, any theologian who has tried to plumb the mystery of the Trinity, whether saints like Thomas Aquinas or Augustine, or contemporary scholars like Karl Rahner or Gerald O'Collins, may write page after page, but in the end is still left standing before the mystery. The three persons of the Trinity are represented by angelic beings seated around a four-sided table inviting the viewer to come and take a place to dine with them. When we encounter the love of God and truly experience it, this is in effect what happens to us: we are seated at the table and enveloped in God's love.
