Delegation of Catholic and Indigenous leaders to visit Pope in Vatican

In conversation with Indigenous people and communities, both at the local and national levels, and bilaterally with the First Nations, Métis and Inuit national organizations, the Bishops, sponsors of this project, have been preparing, for over two years now, a delegation of Indigenous people to meet with the Holy Father to foster meaningful encounters of dialogue and healing. This pastoral visit will include the participation of a diverse group of Elders/Knowledge Keepers, residential school survivors and youth from across the country. The event will likewise provide Pope Francis with a unique opportunity to hear directly from Indigenous Peoples, express his heartfelt closeness, address the impact of colonization and the implication of the Church in the residential schools, so as to respond to the suffering of Indigenous Peoples and the ongoing effects of intergenerational trauma. Full statement available on Archdiocese of Toronto website.

ShareLife Speaker Series: Caring for Seniors Thursday, June 24 : 7 to 8 p.m.

We often worry about how to care for our parents and senior family members as they age. These challenges grew during the pandemic, as many of us were unable to safely visit them in person. What are some of the challenges seniors experience, but may be hesitant to share with us? And how do we respect their independence, while ensuring they do not suffer from loneliness and isolation?

Amanda Fellows from Catholic Family Services of Simcoe County—a ShareLife-funded agency provides valuable insights on how we can best support our senior family members.
