Working wonders for children with special needs...

We have always tried to expose our deaf children to both communities. As their parents, we have talked to them and tried to answer their questions when they saw someone using sign language and they had basic sign language books. Then one day our oldest son, Ethan, said he would like to learn sign language. We discovered Silent Voice's Sign Language Summer camp and enrolled him in the program. The following year Gavin joined his older brother and they both want to go again. We also put our name in for the Family Communication program because we wanted to support our children. These opportunities increased the boys' awareness of the deaf community and also helped them gain respect for different ways of communication. They enjoyed both experiences as did we. We all hope to take part in the Family program again. Last year more than 600 deaf children received support through Silent Voice's Sign Language Summer Camps.

WE CELEBRATE THE RITE OF WELCOME

Next Wednesday, at the 7 PM Mass, we celebrate the Rite of Welcome with Fatemeh and Daryoush, baptized Christians who desire to be received into the full communion of the Catholic Church. During this special rite, they commit themselves to a journey of faith in Christ. DEVELOPMENT AND PEACE SOW MUCH LOVE!

DEVELOPMENT AND PEACE invites us to support small family farmers around the world to ensure seeds continue to be nurtured and preserved by farmers, and that living seeds do not become the exclusive property of multinational corporations. Your participation and solidarity are key. Take Action Today to end global hunger. Please sign the petition to the federal government to ensure the right of family farmers around the world to use seeds to feed their families and communities, and maintain the planet's rich biodiversity. You can sign the petition online at Devp.org/sowmuchlove or see our representative Lori Canlas in the narthex after Mass.
