Working wonders for our new arrivals in Canada... Within one year of arriving in Canada, large numbers of immigrants who had no prior mental health problems experience mental health challenges that often impede their ability to settle in Canada. In addition, there are few culturally and linguistically appropriate mental health services. Last year, ShareLife agencies helped to meet this challenge by providing advocacy programs for more than 40,000 immigrants and refugees in the GTA.

**Thank you for your generosity.
Together we can work wonders!**

THE LITURGY OF THE WORD WITH CHILDREN continues this weekend at all masses.

Last weekend and this weekend, another group of young people received our Lord in the Blessed Sacrament of the Holy Eucharist. Together with their parents, they have journeyed in faith for many months. Now, they join the parish family at the Table of the Lord. We

congratulate them and offer our prayers to: **Samantha Dawson, Keegan Engel, Diego De Jaraiz, Stephanie Lee, Christian Roldan, Thalia Ramcharitar, and Clement Zhou.** May they go forth into the world and live the Eucharist in peace and love.

THANK YOU to Mary Lee and Bruno Wong, the catechists who have shared their gifts and their living faith with this group of children, journeying with them in preparation for the Celebration of First Holy Communion. We also thank **Cristina Allegranza** who, for many months, prepared the children attending public and private schools. Our parish is blessed with your presence your talents, and the beautiful way you care for the young children of our parish! May God's Blessings bring you much joy!

**PLEASE JOIN US FOR THIS INFORMATIVE AND
FUN WORKSHOP EXPLORING SAFE PRACTICES TO
AVOID ELDER ABUSE**

Elder abuse is often a hidden problem, as seniors may mistakenly believe they deserve such treatment, fear abandonment or worry they will lose their independence if they speak up. Seniors may feel ashamed, especially if abuse is from a family member. Sometimes, seniors are not aware they are being abused or of their rights to be free from abuse. Seniors and anyone concerned with elder abuse should attend this free workshop that teaches how to identify, intervene and respond to elder abuse.
