**A FUTURE FOR THE AMAZON, A FUTURE
FOR ALL!**

The Amazon is home to half of all the plants and animals in the world. It is also home to more than 30 million people, nearly 3 million of whom belong to 380 indigenous groups. Logging, industrial farming and mining companies threaten their way of life and their survival. Act now! Sign the Solidarity Letter to defend the defenders after mass next week. Take the intergenerational pledge for our common home.

Change starts with each and every one of us. For more information: devp.org/campaign
