PLANNING TO BE A CATHOLIC TEACHER

Education students seeking a pastoral reference from Fr. Michael are strongly advised to begin the process as early as possible this fall for the upcoming school board application cycle. **The first step in the reference process is to contact Dr. Michael Hryniuk, Director of Spiritual Formation at mhryniuk@yahoo.com.** This first step is to arrange for a preliminary discernment of our candidates' vocational background with Michael and other senior educators in the parish community. Once this discernment is complete, candidates are encouraged to meet with Fr. Michael after a Sunday mass to arrange for an appointment to discuss the reference. **Please contact Michael or the office for more information on the pastoral reference process.**

THE NEW ROMAN MISSAL

Until the early 1960s, Mass was celebrated in Latin throughout the world. At the Second Vatican Council it was agreed that the Mass could be celebrated in our own language, and in 1970 Pope Paul VI approved the official Latin text that would be used. This was then translated into different languages to be used throughout the world. It proved to be a huge task which was completed in a very short time. However, because it was done so quickly, some of the richness of the original Latin prayers was, quite literally, 'lost in translation'. It was agreed that a further translation was necessary.

The new translation would keep the original words, meaning and style of the Latin as far as possible. The new translation also means a new edition of the Missal which will include some additional text such as prayers for the saints who have been added by the Church to the liturgical calendar. For more information on the Roman Missal and its changes, visit www.archtoronto.org/romanmissal anytime to continue your reflection.

The Second Vatican Council reminded us of our ancient faith: Christ is always present in his church, especially in its liturgical celebrations. So, each time we come to Mass we experience the presence of Christ in four different ways:

1. Christ is present in the congregation – the people gathered together;
2. Christ is present in the person of the priest;
3. Christ is present in the Scriptures that we listen to during Mass;
4. Christ is present in the bread and wine when it becomes Christ's Body and Blood.

The more we are able to understand and participate in the Mass, the more we will come to appreciate and love it. The new translation will help us to do that because the words we will now use will say more clearly what our faith is teaching us. For more information on the Roman Missal and its changes, visit www.archtoronto.org/romanmissal anytime to continue your reflection.

Our Lady Queen of the World parish will hold a series of information sessions on the New Roman Missal in the next few weeks. Dates will be announced shortly.
