We give thanks for the courageous gift of Catholic Health Care. Whether it be in hospitals, community health centres, nursing homes, and long-term care homes, Catholic health care works to provide purpose-driven care with compassion and innovation. Each year, Catholic health care providers serve more than five million people in need. Every person who contributes to working in Catholic health care is living out the healing ministry of Jesus Christ and we give thanks for the thousands of physicians, nurses, employees, and volunteers who give of themselves to care for all in need.
