The Solemnity of the Assumption of the Blessed Virgin Mary

In their sermons and speeches on the feast day of the Assumption of the Mother of God, the holy fathers and the great doctors of the church were speaking of something that the faithful already knew and accepted: all they did was to bring it out into the open, to explain its meaning and substance in other terms. Above all, they made it most clear that this feast commemorated not merely the fact that the blessed Virgin Mary did not experience bodily decay, but also her triumph over death and her heavenly glory, following the example of her only Son, Jesus Christ.

Thus St John Damascene, who is the greatest exponent of this tradition, compares the bodily Assumption of the revered Mother of God with her other gifts and privileges: It was right that she who had kept her virginity unimpaired through the process of giving birth should have kept her body without decay through death. It was right that she who had given her Creator, as a child, a place at her breast should be given a place in the dwelling-place of her God. It was right that the bride espoused by the Father should dwell in the heavenly bridal chamber. It was right that she who had gazed on her Son on the cross, her heart pierced at that moment by the sword of sorrow that she had escaped at his birth, should now gaze on him seated with his Father. It was right that the Mother of God should possess what belongs to her Son and to be honoured by every creature as the God's Mother and handmaid.

St. Germanus of Constantinople considered that the preservation from decay of the body of the Mother of God, the Virgin Mary, and its elevation to heaven as being not only appropriate to her Motherhood but also to the peculiar sanctity of its virgin state: It is written, that you appear in beauty, and your virginal body is altogether holy, altogether chaste, altogether the dwelling-place of God; from which it follows that it is not in its nature to decay into dust, but that it is transformed, being human, into a glorious and incorruptible life, the same body, living and glorious, unharmed, sharing in perfect life.

Another very ancient author asserts: Being the most glorious Mother of Christ our Saviour and our God, the giver of life and immortality, she is given life by him and shares bodily incorruptibility for all eternity with him who raised her from the grave and drew her up to him in a way that only he can understand.

All that the holy fathers say refers ultimately to Scripture as a foundation, which gives us the vivid image of the great Mother of God as being closely attached to her divine Son and always sharing his lot.

It is important to remember that from the second century onwards the holy fathers have been talking of the Virgin Mary as the new Eve for the new Adam: not equal to him, of course, but closely joined with him in the battle against the enemy, which ended in the triumph over sin and death that had been promised even in Paradise. The glorious resurrection of Christ is essential to this victory and its final prize, but the blessed Virgin's share in that fight must also have ended in the glorification of her body. For as the Apostle says: When this mortal nature has put on immortality, then the scripture will be fulfilled that says "Death is swallowed up in victory".

So then, the great Mother of God, so mysteriously united to Jesus Christ from all eternity by the same decree of predestination, immaculately conceived, an intact virgin throughout her divine motherhood, a noble associate of our Redeemer as he defeated sin and its consequences, received, as it were, the final crowning privilege of being preserved from the corruption of the grave and, following her Son in his victory over death, was brought, body and soul, to the highest glory of heaven, to shine as Queen at the right hand of that same Son, the immortal King of Ages.

#### Assunzione della Beata Vergine Maria – 15 agosto 2010

"Il Cristo, che ha ricevuto lo Spirito senza misura, elargì doni agli uomini, e non cessa di donare: Dalla sua pienezza noi tutti abbiamo ricevuto (Gv 1, 16) e nulla si sottrae al suo calore (Sal 18, 7). Egli ha un fuoco in Sion e una fornace in Gerusalemme (Is 31, 9). Questo è il fuoco che Cristo è venuto a portare sulla terra, e che apparve sopra gli apostoli in lingue di fuoco, affinché lingue di fuoco predicassero una legge di fuoco. ... Lo Spirito Santo è più dolce del miele: preghiamolo dunque in spirito di umiltà, perché effonda nei nostri cuori una rugiada di benedizione, uno stillicidio di doni spirituali, e un'abbondante pioggia di grazia per purificare le nostre coscienze; infonda l'olio della letizia e il fuoco del suo amore nei nostri cuori, cioè Gesù Cristo, che il Padre consacrò e nel quale infuse la pienezza della consacrazione e della benedizione, perché a questa pienezza potessimo attingere. A lui onore e gloria per tutti i secoli. Amen. (Pietro di Blois, Discorso 25)"

Lodando il tuo parto, noi tutti ti celebriamo come tempio vivente, o Madre di Dio. Nel tuo grembo, infatti, abitò il Signore, Colui che l'universo regge nelle sue mani. Egli ti fece santa e ricca di gloria e ha insegnato a tutti a cantarti:

Gioisci, tempio del Verbo di Dio;

Gioisci, la più santa di tutti i santi;

Gioisci, arca d'oro, cesellata dallo Spirito Santo;

Gioisci, tesoro inesauribile della vita;

Gioisci, diadema prezioso dei pii regnanti;

Gioisci, venerabile gloria dei vescovi devoti;

Gioisci, baluardo inespugnabile della Chiesa;

Gioisci, per te si innalzano i trofei;

Gioisci, per te soccombono i nemici;

Gioisci, salute per il mio corpo;

Gioisci, salvezza per la mia anima;

Gioisci, o Sposa Semprevergine!

A Te, o Madre di Dio, che guidasti la nostra difesa, innalziamo l'inno della vittoria e della riconoscenza, per essere stata salvati da terribili sciagure. Tu, dunque, nella tua potenza invincibile, liberaci da ogni sorta di pericoli, cosicché a Te si esclami: Gioisci, o Sposa Semprevergine!
