SAINT OF THE WEEK

St. Cecilia

Virgin and Martyr of the Church

A Roman virgin who beseeched the saints and angels to protect her virginity. Cecilia's preaching converted over 400 people. Sentenced to death for her faith, her executioner struck her 3 times but was unable to decapitate her. For three days, crowds came to collect her blood while she preached to them. St. Cecilia is regarded as the patroness of music, because she heard heavenly music in her heart when she was married. She was the first of all incorrupt saints.

St. Cecilia, pray for us!

WAITING FOR THE LORD

St Luke repropose the Biblical view of history for our reflection and refers to Jesus' words that invite the disciples not to fear, but to face difficulties, misunderstandings and even persecutions with trust, persevering through faith in him. The Lord says: "*When you hear of wars and tumults, do not be terrified; for this must first take place, but the end will not be at once*" (Lk 21: 9). Keeping this admonition in mind, from the beginning the Church lives in prayerful waiting for her Lord, scrutinizing the signs of the times and putting the faithful on guard against recurring messiahs, who from time to time announce the world's end as imminent.

In reality, history must run its course, which brings with it also human dramas and natural calamities. In it a design of salvation is developed that Christ has already brought to fulfillment in his Incarnation, death and Resurrection.

The Church continues to proclaim this mystery and to announce and accomplish it with her preaching, celebration of the sacraments and witness of charity. ~ from Pope Benedict XVI 18 November 2007
