**THE SACRED LITURGY THIS WEEK**

**Tuesday November 17, St. Elizabeth of Hungary** manifested great love for the poor and suffering so is become the patroness of Catholic charities and of the Secular Franciscan Order. The daughter of the King of Hungary, Elizabeth chose a life of penance and asceticism when a life of leisure and luxury could easily have been hers. This choice endeared her in the hearts of the common people throughout Europe.

**Saturday November 21, The Presentation of the Blessed Virgin Mary**, celebrates the dedication of herself which Mary made to God from her very childhood under the inspiration of the Holy Spirit who filled her with grace at her Immaculate Conception. Mary, at the age of three, was brought by her parents to the Temple, in fulfillment of a vow, there to be educated.

***Excerpts from BULL OF INDICTION OF THE EXTRAORDINARY JUBILEE OF MERCY***

*Given in Rome, at Saint Peter's on 11 April, 2015  
 by Pope Francis*

The Holy Year will open on 8 December 2015, the Solemnity of the Immaculate Conception. This liturgical feast day recalls God's action from the very beginning of the history of mankind. After the sin of Adam and Eve, God did not wish to leave humanity alone in the throes of evil. And so he turned his gaze to Mary, holy and immaculate in love (cf. Eph 1:4), choosing her to be the Mother of man's Redeemer. When faced with the gravity of sin, God responds with the fullness of mercy. Mercy will always be greater than any sin, and no one can place limits on the love of God who is ever ready to forgive.

I will have the joy of opening the Holy Door on the Solemnity of the Immaculate Conception. On that day, the Holy Door will become a Door of Mercy through which anyone who enters will experience the love of God who consoles, pardons, and instills hope.

On the following Sunday, the Third Sunday of Advent, the Holy Door of the Cathedral of Rome – that is, the Basilica of Saint John Lateran – will be opened. In the following weeks, the Holy Doors of the other Papal Basilicas will be opened. On the same Sunday, I will announce that in every local church, at the cathedral – the mother church of the faithful in any particular area – or, alternatively, at the co-cathedral or another church of special significance, a Door of Mercy will be opened for the duration of the Holy Year. At the discretion of the local ordinary, a similar door may be opened at any shrine frequented by large groups of pilgrims, since visits to these holy sites are so often grace-filled moments, as people discover a path to conversion. **Every Particular Church, therefore, will be directly involved in living out this Holy Year as an extraordinary moment of grace and spiritual renewal.** Thus the Jubilee will be celebrated both in Rome and in the Particular Churches as a visible sign of the Church's universal communion.

**HUMANITARIAN RELIEF: PROJECT HOPE - EMERGENCY REFUGEE RESETTLEMENT CAMPAIGN**

In response to the global refugee crisis, Cardinal Thomas Collins has launched "Project Hope," a special emergency appeal. This 100-day campaign aims to raise \$3 million in order to settle 100 refugee families in the Archdiocese of Toronto as soon as possible. The effort will also require 100 volunteer committees to assist with settlement services. To make a donation to support the appeal, visit: [www.archtoronto.org](http://www.archtoronto.org) or call (416) 934-3411.

**You can also donate through our parish with a cheque made payable to NAME OF PARISH – PROJECT HOPE – REFUGEE SPONSORSHIP.** We continue to pray for all those suffering, mindful of our call to welcome the stranger in our midst.

Those interested in assisting with volunteer committees should contact the Office for Refugees at (647) 780-0827.

**From a PRESS RELEASE FROM EUTHANASIA PREVENTION**

The Supreme Court of Canada has decided not to protect people from assisted suicide. The Supreme Court of Canada has made an activist decision by giving physicians the right in law to cause the death of their patients by assisted suicide. The Supreme Court is naïve to think that assisted suicide will not be abused, when abuse already occurs.

Dr. Leo Alexander, an American psychiatrist, who was a medical advisor at the Nuremburg trials and who was part of the Nuremburg code, stated in an article in the New Journal of Medicine (July 1949) "Whatever proportions these crimes finally assumed, it became evident to all who investigated them that they had started from small beginnings. The beginnings at first were merely a subtle shift in emphasis in basic attitude, basic in the euthanasia movement, that there is such a thing as a life not worthy to be lived."

This is the experience that the Netherlands, Belgium and Switzerland have had with assisted death, and unless Canada's Parliament resists this same direction, this will be the same experience in Canada.

**Please send in a Euthanasia Prevention Postcard.**
