## FIRST WORLD DAY OF THE POOR

November 19, 2017

***Let us Love, not with Words but with Deeds***

We are called, then, to draw near to the poor, to encounter them, to meet their gaze, to embrace them and to let them feel the warmth of love that breaks through their solitude. Their outstretched hand is also an invitation to step out of our certainties and comforts, and to acknowledge the value of poverty in itself. Let us, then, take as our example Saint Francis and his witness of authentic poverty. Precisely because he kept his gaze fixed on Christ, Francis was able to see and serve him in the poor. If we want to help change history and promote real development, we need to hear the cry of the poor and commit ourselves to ending their marginalization. At the same time, I ask the poor in our cities and our communities not to lose the sense of evangelical poverty that is part of their daily life.

We know how hard it is for our contemporary world to see poverty clearly for what it is. Yet in myriad ways poverty challenges us daily, in faces marked by suffering, marginalization, oppression, violence, torture and imprisonment, war, deprivation of freedom and dignity, ignorance and illiteracy, medical emergencies and shortage of work, trafficking and slavery, exile, extreme poverty and forced migration. Poverty has the face of women, men and children exploited by base interests, crushed by the machinations of power and money. What a bitter and endless list we would have to compile were we to add the poverty born of social injustice, moral degeneration, the greed of a chosen few, and generalized indifference! Tragically, in our own time, even as ostentatious wealth accumulates in the hands of the privileged few, often in connection with illegal activities and the appalling exploitation of human dignity, there is a scandalous growth of poverty in broad sectors of society throughout our world. Faced with this scenario, we cannot remain passive, much less resigned. There is a poverty that stifles the spirit of initiative of so many young people by keeping them from finding work. There is a poverty that dulls the sense of personal responsibility and leaves others to do the work while we go looking for favours. To all these forms of poverty we must respond with a new vision of life and society.

It is my wish that Christian communities will make every effort to create moments of encounter and friendship, solidarity and concrete assistance. The kingship of Christ is most evident on Golgotha, when the Innocent One, nailed to the cross, poor, naked and stripped of everything, incarnates and reveals the fullness of God's love. Jesus' complete abandonment to the Father expresses his utter poverty and reveals the power of the Love that awakens him to new life on the day of the Resurrection.

~ From MESSAGE OF HIS HOLINESS POPE FRANCIS

### THE PRESENTATION OF THE BLESSED VIRGIN MARY

As with Mary's birth, we read of Mary's presentation in the temple only in apocryphal literature. The Protoevangelium of James tells us that Anna and Joachim offered Mary to God in the Temple when she was 3 years old. This was to carry out a promise made to God when Anna was still childless. Though it cannot be proven historically, Mary's presentation has an important theological purpose. It continues the impact of the feasts of the Immaculate Conception and of the birth of Mary. It emphasizes that the holiness conferred on Mary from the beginning of her life on earth continued through her early childhood and beyond.
