EASTER MESSAGE FROM POPE FRANCIS

Dear Brothers and Sisters, a Happy and Holy Easter!

The Church throughout the world echoes the angel's message to the women: "Do not be afraid! I know that you are looking for Jesus who was crucified. He is not here; for he has been raised... Come, see the place where he lay" (Mt 28:5-6).

This is the culmination of the Gospel, it is the Good News par excellence: Jesus, who was crucified, is risen! This event is the basis of our faith and our hope. If Christ were not raised, Christianity would lose its very meaning; the whole mission of the Church would lose its impulse, for this is the point from which it first set out and continues to set out ever anew. The message which Christians bring to the world is this: Jesus, Love incarnate, died on the cross for our sins, but God the Father raised him and made him the Lord of life and death. In Jesus, love has triumphed over hatred, mercy over sinfulness, goodness over evil, truth over falsehood, life over death.

That is why we tell everyone: "Come and see!" In every human situation, marked by frailty, sin and death, the Good News is no mere matter of words, but a *testimony to unconditional and faithful love*: it is about leaving ourselves behind and encountering others, being close to those crushed by life's troubles, sharing with the needy, standing at the side of the sick, elderly and the outcast... "Come and see!": Love is more powerful, love gives life, love makes hope blossom in the wilderness.

With this joyful certainty in our hearts, today we turn to you, risen Lord!

Help us to seek you and to find you, to realize that we have a Father and are not orphans; that we can love and adore you.

Help us to overcome the scourge of hunger, aggravated by conflicts and by the immense wastefulness for which we are often responsible.

Enable us to protect the vulnerable, especially children, women and the elderly, who are at times exploited and abandoned.

Comfort all those who cannot celebrate this Easter with their loved ones because they have been unjustly torn from their affections, like the many persons, priests and laity, who in various parts of the world have been kidnapped.

Comfort those who have left their own lands to migrate to places offering hope for a better future and the possibility of living their lives in dignity and, not infrequently, of freely professing their faith.

We ask you, Lord Jesus, to put an end to all war and every conflict, whether great or small, ancient or recent.

We pray in a particular way for Syria, beloved Syria, that all those suffering the effects of the conflict can receive needed humanitarian aid and that neither side will again use deadly force, especially against the defenseless civil population, but instead boldly negotiate the peace long awaited and long overdue!

Jesus, Lord of glory, we ask you to comfort the victims of fratricidal acts of violence in Iraq and to sustain the hopes raised by the resumption of negotiations between Israelis and Palestinians.

Lord, we pray to you for all the peoples of the earth: you who have conquered death, grant us your life, grant us your peace!

Dear brothers and sisters, Happy Easter!

We at Holy Rosary are praying for your family and friends this Easter Season.

GOD IS PLOTTING TO BLESS YOU!

REQUEST FROM BISHOP CROSBY ON PATIENT ASSISTED DYING (EUTHANASIA)

Assisted suicide will soon be legal in Canada. The twenty-one recommendations that the parliamentary committee has proposed to the Federal Government go far beyond what the Supreme Court mandated. They include a requirement that doctors who have a moral objection to assisted suicide must, against their wishes, refer their patients to a doctor who will engage in this process. No other country in the world requires this kind of violation of conscience!

As Bishop of the Hamilton Diocese, I encourage you to visit our website www.hamiltondiocese.com, to get a fuller understanding of this issue. I also ask you to write directly to your Member of Parliament, Lisa Raitt and PM Trudeau. Voice your concerns that the law be written in such a way that it protects those who are vulnerable, as well as the conscience rights of individuals and Catholic institutions involved in health care. The Coalition for HealthCARE and Conscience, made up of numerous partners (including more than 5,000 Canadian doctors) has all the information you will need to write such a letter on their website at www.CanadiansforConscience.ca. History is being made at this moment – as Catholics we have both the right and obligation to participate in this important process.

Let's continue to pray for Pro Life issues especially upholding life from conception to natural death.

Our family respecting the wishes of yours... 24 hours a day
