**DEVELOPMENT & PEACE**

**The survival of the Amazon concerns all humanity**

The Amazon is home to one-fifth of the world's freshwater and one-third of the Earth's forests. Its Indigenous peoples live sustainably from its resources, but the Amazon is under threat. “The native Amazonian peoples have probably never been so threatened on their own lands as they are now.”- Pope Francis, Peru, January 2018.

We are all interconnected. Let's stand in solidarity with those who strive to protect our land, our waters and our lives.

Sign the Development and Peace - Caritas Canada Solidarity Letter today to support these two communities. Your signatures will allow us to call for their protection and respect of their rights.

Together, let's defend the defenders of the Amazon. To sign the Solidarity Letter online: [devp.org/act](http://devp.org/act).

Please pray for our Confirmandi who were confirmed this weekend.

Refer to our website: [www.holyrosaryparish.ca](http://www.holyrosaryparish.ca) for additional events & information!
