Lector Blitz!!!

“Go out to the whole world and proclaim the Good News” Mark 16:15

Folks, we need people to step up to the plate and hit a few home runs from the lectern. In my thirty years of parish ministry, I have not seen such a small representation of parishioners willing to volunteer to take on the ministry of lector.

Those who are lectors in the parish (some for many years), I thank you.

But proclaiming the Word of God is too important to let slide. If you can read well and speak well, don't bury your gift – share it.

I can teach you the nuances of being a good lector. Good liturgy moves people's hearts.

April 24, 2016

If you think you are too shy to get up in front of people – remember – it's not about you, it's about God.

If you make a commitment to volunteer for other worthy causes, why would you not commit to volunteer to proclaim the Word of God during the Eucharist - which the Church calls ***the source and summit of our life of faith?***

We can accommodate your schedule. Perhaps you would volunteer to be a lector once a month or once every two months. Let me know.

If none of the Blue Jays stepped up to the plate it would be a desperately boring season.

I will provide all the training you need. Email me:

Concerning Introduction of Federal Euthanasia / Assisted Suicide Legislation

“A discussion about death is never an easy one. Yet now, more than ever, Canadians across the country need to be fully informed and mindful of the implications of this legislation. In a familiar Catholic prayer we meditate on the two key moments of life: now, and the hour of our death. In these days ahead, may that reflection guide us in a spirit of love, mercy and compassion, as we journey with all those who are suffering.”

- Thomas Cardinal Collins Archbishop of Toronto
April 14, 2016

Tell Legislators How You Feel

Those who are concerned about this legislation are encouraged to visit CanadiansforConscience.ca and join the Coalition for HealthCARE and Conscience. You can use this website to write directly to key elected representatives at the

federal and provincial levels, respectfully expressing your concerns.

A New Heaven and a New Earth

This is the time of year when we begin to head outside more often. Spring is in the air. We find it restorative to commune with nature. But we do so with the idea that we are always headed back into the complexity of human interaction.

In the Book of Revelation, John's vision portrays a new society in which every creature and even the environment enjoys the integrity and fulfillment for which they were created.

Scripture does not propose that Christians abandon society but that they take part in its transformation. The Gospel vision is one in which innumerable people are called together to discover God in community — in the multiple and diverse communities where God offers a new order and works through ordinary people like you and me to wipe away each one's tears.

Jubilee Year of Mercy

If you are in the area this coming Friday, come and join in some Jubilee Year of Mercy prayer here at St. Pius X from 2:30 to 3:30 p.m. It's a wonderful opportunity to reflect and pray.

Papal Charities Collection Next Week

A disastrous flood or earthquake strikes a nation at the other end of the world. Immediately, many countries rush in food, medicine, blankets, money, and trained people. Prominent among such aid is the financial help offered by the Holy Father to people in need. In the name of Catholics everywhere, he displays Christ's love and compassion for those who suffer.
