**Advent Parish Reconciliation
Event**

Your desire to be reconciled with God and neighbour has a 'ripple effect'. The energy of that grace-filled experience of healing radiates outward into all creation.

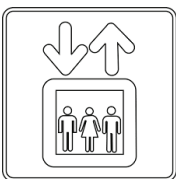

Sometimes we are not even aware of what it is within our consciousness that needs to be transformed by the power of God's love.

Plan to come Wednesday and celebrate this great healing event. Peace in our world begins with you and me.

Thank You For Your Generosity

Each week, parishioners generously donate to the offertory collection. A number of these men and women are retired and on a fixed income. They budget carefully. Families and single folks have many different kinds of needs. They help too. If you see parishioners passing the basket without offering a donation, chances are they are donating through **Donate Now** or **PAG** (pre-authorized giving) at our website – www.saintpiusx.ca

Elevator Update

Well the good news is that the elevator has been installed. The elevator is not going anywhere.

The fire alarm panel upgrade is underway. It may take a few weeks from drawing board to installation. The process is a bit more complicated than replacing a fuse. They say that patience is a virtue!
