PASTOR'S DESK

October 24, 2021 – 30th Sunday in Ordinary Time

“And Jesus said to him, ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” (Mark 10:52)

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop an attitude of gratitude.

Toward an Understanding of the Synodal Process, is one of a Journey of Faith. The theme which Pope Francis has chosen for the synodal process 2021-2023 is: *For a Synodal Church: Communion, Participation, Mission*. Both our Archbishop and Pope Francis, express the hope that the “forthcoming synodal process will bring us closer together and help us to recognize that we are united by our common baptism - as members of the Body of Christ.” Although the faith has been handed on, today we live in a very challenging secular environment, where, sadly, many people do not know the joy of encountering, believing in, and following, Jesus Christ. But they also express the hope that “the life of the Church will be much richer and more dynamic if all baptized Catholics can find ways to answer God's call and bring a variety of gifts to the service of all.”

Maureen and Nicarlo Funai, Ron Choy, Mary and Brendan Walsh, those who are in long term care homes and those with COVID 19.
