**Living the Gospel locally and around the world.** "It is important that we continue to support the ShareLife appeal, to provide for the needs of the marginalized both here in our communities and around the world. Sometimes the results are obvious and sometimes they're invisible, but always they make a tangible difference in the lives of the people we are helping. **Please prayerfully consider how you can be supportive today on ShareLife Sunday.**" — Cardinal Thomas Collins.

**Today is ShareLife Sunday. Thank you for your generosity**

### **Care for Creation – April, 2019**

As we celebrate the year of Care for Creation, the month of April is dedicated to reflecting on the **Spring of Nature**. *Creation reveals God's presence*, and as the spring begins let us be aware God's presence by reflecting on the nature. Every day begins with new life, new opportunities, new possibilities, so let us use them for the good of all. We also pray how we can help in creating a safe and sustainable environment for our family and in our community.

We will specially focus on practicing concrete ways to care for the Nature, by gardening, recycling, using more natural light, helping others by encouraging words and actions. May God continue to bless and guide us in caring for the Creation.
