## TWENTY-SIXTH SUNDAY IN ORDINARY TIME: SEPTEMBER 29, 2019 CELEBRATING THE YEAR OF CARE FOR CREATION

### **Pledge of Commitment:** *To Protect and Heal God's Creation*

We have come to renew our covenant with God and with one another in Christ Jesus, our Lord. We have come to help protect God's creation. We have come as followers of Jesus to commit ourselves anew to one another and to heal injustice and poverty.

We have come to stand together against all threats to life. We have come to discover some new beauty every day in God's creation: the sunrise and sunset, birds, flowers and trees, rainbows in the sky, the stars, the many forms of life in the forest.

We have come to listen to the "music of the universe" - water flowing over rocks, the wind, trees bending in the wind, raindrops pattering the roof. We will remember always that God speaks to us through the beauty of his creation, and we will try our best to answer God's call to reverence all that he has created.

### **Season of Creation – Archdiocese of Toronto**

We invite you to join us in celebrating the Season of Creation (September 1 to October 4). The Church recognizes the ecological challenge facing the world today as a major threat. Responding to this crisis forms an integral part of the Church's mission. To embrace this mission to which the Lord is calling us, may our hearts be open to contemplate the gift of creation, and our role as stewards to *Care for Our Common Home*.

Many activities are planned for around the Archdiocese of Toronto, including:

- **October 2, 1 p.m.:** Webinar to launch the Canadian chapter of the Global Catholic Climate Movement. Keynote: Anne-Catherine Kennedy, Development & Peace Program Officer for Brazil and Colombia, will speak about the Synod on the Amazon. Information and webinar registration.
