SHARELIFE

Working wonders in our community... Terry obtained his Master's Degree in music and philosophy earlier in life and was successful in careers in spirituality with the Carmelites as well as in the hospitality industry. While working, he became addicted to alcohol. Recognizing the seriousness of his problem and in order to return to work successfully, Terry would need to be involved in a long term recovery program. He chose the spiritually enriched program St. Michael's Homes offered and as a result, Terry became focused and deeply connected with the staff at St. Michael's and was able to continue on the right path. He looks forward to the day soon when he can confidently leave and be successful once again in the hospitality industry, and an inspiration to those around him. ShareLife funded agencies like St. Michael's Homes helps many men suffering from substance abuse get their lives back on track through life-changing counselling and extensive support.

Next ShareLife Sunday is April 17th

Please give generously. You can work wonders!
