OUR PILGRIMAGE TOGETHER

To create a unified community and foster growth in faith.

The Mission of the Catholic communities of Immaculate Conception and Our Lady of the Lake is to respond to God's call with personal conviction, commitment, and community action. Our purpose is to be like the disciples of Emmaus who recognize Him in the breaking of the bread and persevere in our focus to know Him more deeply and love Him more faithfully. Our dream, therefore, is to build a community based on the Eucharist, henceforth on forgiveness of one another, caring for each other, bearing one another's burdens, personal prayer and sacramental worship.

Responsorial Psalm

Ps.85 - Show us your steadfast love, O Lord, and grant us your salvation.

FOR YOUR CONTEMPLATION

Below is an excerpt from Fr. Joseph Klos's homily from our visit to Buffalo on July 5th, which I believe applies just as easily to Canada.

Here are some of America's craziness.

Someone wrote these interesting words entitled, "Only in America."

- 1. Only in America can a pizza get to your house faster than an ambulance.
- 2. Only in America are there handicap parking places in front of a skating rink.
- 3. Only in America do drugstores make the sick walk all the way to the back of the store to get their prescriptions, while healthy people can buy cigarettes at the front.
- 4. Only in America do people order double cheeseburgers, large fries and a DIET Coke.
- 5. Only in America do we leave cars worth thousands of dollars in the driveway and put our junk in the garage. Hello.
- 6. Only in America do we use answering machines to screen calls and have call waiting so we won't miss a call from someone we didn't want to talk to tin the first place.
- 7. Only in America do we buy hotdogs in packages of ten and buns in packages of eight.

Here is some of the sadness of America. It's written by George Carlin and entitled "Paradox of Our Time." The paradox of our time in history is that we have taller buildings but shorter tempers, wider freeways, but narrower viewpoints. We spend more, but have less. We buy more, but enjoy less. We have bigger houses and smaller families, more conveniences, but less time. We have more degrees but less sense, more knowledge, but less judgement, more experts, yet more problems, more medicine, but less wellness. We drink too much, smoke too much, spend to recklessly, laugh too little, watch TV too much, and pray to seldom. We have multiplied our possessions, but reduced our values. We talk too much, love too seldom, and hate too often. We've learned how to make a living, but not a life. We've added years to life not life to years! We've been all the way to the moon and back, but have trouble crossing the street to meet a new neighbour. We've done larger things, but not better things. We've cleaned up the air, but polluted the soul. We've conquered the atom but not our prejudice. We write more, but learn less. We plan more, but accomplish less. We've learned to rush, but not to wait. We build more computers to hold more information, to produce more copies than ever, but we communicate less and less. We've learned to rush, but not to wait. We build more computers to hold more information, to produce more copies than ever, but we communicate less and less. Brethren, even though there are a lot of negative things about America I still believe that America is the greatest country in the world. We are blessed to have been born and raised in America. Someone has said, "We keep asking God to bless America. He already has. Now it's our turn." It is our turn to bless America.....
