OUR PILGRIMAGE TOGETHER

To create a unified community and foster growth in faith.

The Mission of the Catholic communities of Immaculate Conception and Our Lady of the Lake is to respond to God's call with personal conviction, commitment, and community action. Our purpose is to be like the disciples of Emmaus who recognize Him in the breaking of the bread and persevere in our focus to know Him more deeply and love Him more faithfully. Our dream, therefore, is to build a community based on the Eucharist, henceforth on forgiveness of one another, caring for each other, bearing one another's burdens, personal prayer and sacramental worship.

JUNE 14, 2015

Working wonders with families in our neighbourhoods...

The Smith family came for counselling to deal with the sudden death of their parent. The children's grief was complicated by the fact that they were now residing with their other parent, with whom they had not spent a great deal of time, due to long work hours to provide for the family. As this grief stricken family learned about each other, how to relate, how to trust, how to love and build new definition of "family", they began to open up to their counsellor and share what their life was like before their parent's tragic death. One child in the family shared that a trusted adult in their life used to be very abusive to them – physically assaulting them, locking them in closets, and making them hurt each other – to name just a few of the milder incidents. That disclosure to the family therapist led to the arrest of that individual and it also resulted in those children no longer feeling afraid of any future victimization. Closer family intimacy, safety, and a brighter future resulted for the Smith Family. Last year, ShareLife-supported Family Service agencies provided family counselling to over 5,100 people in the Greater Toronto Area.
