**Marriages:** Marriages are celebrated in the Church where the bride or groom is registered at. When a man and a woman plan to marry each other, they should contact a priest one year in advance and always before the wedding date is set, and before arranging for the reception hall. The engaged are required to attend a Marriage Preparation Course.

**Please note:** However, if this man or woman has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted. Questions are often being asked about marriages performed outside the Catholic Church by non-Catholic ministers. These are not valid marriages according to the teaching of the Catholic Church, but many can be rectified by simply consulting with your Parish priest to discuss the available options. Sometimes people make decisions without proper information, so if you wish, please contact your Pastor for details or call the Marriage Tribunal at 416-934-3400 ext 300.

**STS. JOACHIM & ANNE**  
**July 26 – Parents of Our Lady**

Sts. Joachim and Ann are venerated by the Church as the parents of the Virgin Mary. All information about the two saints comes from the *Gospel of James*, an apocryphal book of the second century. Ann, whose name means *Grace*, was probably informed by an angel that the daughter she was about to conceive would be spoken of in all the world. In the sixth century a church was dedicated to her in Constantinople, and from the Middle Ages her veneration became very popular. Joachim, who has been honoured since the 6<sup>th</sup> century, is often represented as teaching little Mary to read the Scriptures.

**PRAYER FOR FINANCIAL AID**

Realizing, dear Mother, that you are our perpetual help, not only in spiritual, but also in temporal necessities, we ask you to help us in our present financial worry. Because of unavoidable circumstances which have arisen in our lives, we are in great want and embarrassment, since we are unable to meet our honest debts. We are not asking, dearest Mother of perpetual Help, for wealth, if the possession of it is not in accordance with the will of God; we merely ask you for that assistance which will help us to settle our present obligations. We believe, dear Mother of God that you are extremely kind and generous to all your loving and devoted children. We plead with you, therefore, dear Mother, to obtain for us the help we so urgently need. We are trying so earnestly to solve our problem but we believe in your powerful intercession with Our Lord Jesus Christ, your Son and our redeemer. Amen.

**THE DIVINE BLOOD TYPE: Revealed by**  
**"Coincidence" of Eucharistic Miracles?**

Do we know Jesus' blood type? An amazing "coincidence" between Eucharistic miracles and relics from the life of Jesus Christ suggests that we might.

In the 8<sup>th</sup> century, a Basilian priest in Lanciano, Italy who was doubting the real presence of Jesus in the Eucharist was offering Mass when the Eucharist miraculously turned into natural flesh and blood. You can still see the non-decomposing flesh and blood in the Church of San Francesco today.

In the 1970s and 1980s, some of the flesh and blood from this miracle were studied by scientists who, among other things, found the blood was AB.

Interesting, right?

In the 13th century (500 years after the miracle of Lanciano) another priest who was doubting the truth of the real presence also experienced a Eucharistic miracle: The host started bleeding all over his corporal (a cloth used in the liturgy). You can still see the cloth on display in the Cathedral of Orvieto.

Scientific testing of this cloth in the mid-'90s showed that the blood was AB as well.

Now, it's possible that these miracles and relics are not authentic and the fact they have AB blood is just a coincidence. But the odds are strongly against it: the percentage of the population that has AB blood type is in the single digits. And remember, blood types were only discovered in the early 20<sup>th</sup> century, long before most of these miracles happened and these relics surfaced – meaning that anyone trying to forge them would not have even known about blood type as something to "get right".

Which makes it much more likely that these miracles and relics, separated by centuries and long before the Scientific Revolution are in fact authentic.

**ST. MICHAEL THE ARCHANGEL**

St. Michael the Archangel, defend us I battle. Be our defense against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen.

*Oh! how happy the man of means who uses his wealth and his life for the greater glory of God, from whom he has received them! St. Vincent de Paul*

*The most powerful weapon to conquer the devil is humility. For, as he does not know at all how to employ it, neither does he know how to defend himself from it. St. Vincent de Paul*
