Living the Gospel by caring for the elderly. Ever since Erika had a stroke, her diminished mobility kept her from enjoying many activities. When LA Centre for Active Living planned a trip to the Garlic Festival, Erika worried her disabilities would get in the way. To Erika's delight, the ShareLife-funded agency ensured the trip was fully accessible for her. Having the most fun she's had in years, she felt like her disabilities disappeared. Last year, ShareLife-supported agencies provided care to over 6,300 seniors. May 27 is the next ShareLife Sunday. Please give generously.

Encounter: Experiencing God in the Everyday

Encounter is a life-changing experience that speaks directly to the hearts and minds of young people. Encounter uses the color-coded Bible Timeline learning system to reveal the story of our Faith and God's plan for our lives. As the students are drawn into this story they will come to a new and profound understanding of who God is. Most importantly they will see God not as a distant doctrinal concept, but as a loving Father who desires a meaningful and lasting encounter with them.
