God's love for his people is as steady as the love of a mother for her child, only greater. Jesus reminds us today that we are God's precious children. This knowledge should free us from worrying. He will provide for our every need. However when we worry, we are basically saying to God that we don't entirely trust Him. We must learn to put our future in God's hands and pray that He will supply our basic needs each day! We may want much more but by placing our needs in His hands we will never be disappointed.

\*\*\*\*\*  
 El amor de Dios por su pueblo es tan seguro como el amor de una madre por su hijo y más. Jesús nos recuerda hoy que somos hijos predilectos de Dios. Esta información nos libera de preocupación. Su divina providencia nos sostiene ante cada necesidad. Pero cuando nos preocupamos por algo, no le estamos demostramos a Dios tener confianza en El! Tenemos que aprender a poner nuestro futuro en las manos de Dios y orar para que El nos sostenga en nuestras necesidades básicas de cada día! Quisiéramos mucho más pero si ponemos nuestras necesidades en Sus manos, nunca estaremos di satisfechos.
