Since we belong to the instant generation, most of us have lost the gift of perseverance. When we want something, we want it now, not tomorrow or the next day. This attitude has spread also to the spiritual aspect of our life. When we pray to our Lord for his help, we want to receive it immediately. If we don't, we give up praying for it. Today's

Gospel reading teaches us the perseverance is a very important aspect of our prayer life, because it shows our dependence on God. If we persevere in our prayer, it means that we are sure that sooner or later God will come to our rescue and will deliver us from whatever keeps us in bondage. How do we compare with the widow of the Gospel?

Desde que pertenecemos a la generación del instante, hemos perdido el don de la perseverancia. Cuando queremos algo, lo queremos enseguida, no mañana o el día siguiente. Esta actitud se ha pasado a nuestra vida espiritual. Cuando rezamos y pedimos al Señor por su ayuda, la queremos recibir inmediatamente. Si no la recibimos, dejamos de seguir rezando y pidiendo por el. La lectura del Evangelio de hoy nos enseña a nosotros que la perseverancia es un aspecto importante de nuestra vida de oración, porque enseña nuestra dependencia de Dios. Si perseveramos en nuestra oración, esto significa que Dios vendrá tarde o temprano a nuestro rescate y nos liberará de lo que nos tenga prisionero. ¿Cómo podremos compararnos con la viuda del Evangelio?

Siccome noi apparteniamo alla generazione che vuole tutto subito, abbiamo perso il dono della perseveranza. Quando vogliamo qualche cosa, la vogliamo ora, non domani o dopodomani. Questa attitudine è subentrata anche nell'aspetto spirituale della nostra vita. Quando preghiamo il Signore per il suo aiuto, ci aspettiamo di riceverlo al più presto possibile, se dovesse ritardare, ci scoraggeremo di pregare e, in breve tempo, smetteremo totalmente di pregare. Il Vangelo di oggi ci insegna che la perseveranza è un fattore molto importante nella nostra vita di preghiera, perchè manifesta la nostra dipendenza in Dio. Se noi perseveriamo nella preghiera significa che abbiamo la certezza che prima o poi il Signore verrà in nostro aiuto e ci libererà da ciò che ci opprime. Come ci compareggiamo noi nei confronti della vedova del Vangelo?

REVISED SEE POSTERS REVISED DATES!

The **Archdiocese of Toronto** has completed the revised Policy & Procedure for Cases of Alleged Misconduct. In April 2010, Archbishop Collins announced that the Archdiocese would establish a group of lay experts to review current practices. The group has concluded their work and in September 2010, meetings were held with priests, deacons and lay staff of the Archdiocese to review the document.

The safe environment protocol can be accessed anytime, along with additional resources, through our website: www.archtoronto.org.

The Archdiocese remains committed to the protection of all who are within its spiritual and physical care, especially the most vulnerable. We continue to pray for anyone who has suffered violence or abuse, in the church, in their family, or in society.
