Perhaps you've been wondering about.....  
the history of the Carmelites who serve our parish (Part 3) The centre of the Carmelite spirit is to foster friendship with God, to experience God's love and to ponder the mystery and wonder of life, to search for meaning. Through the solitude of prayer they experience the compassion of God which allows them to respond to those in need. As friars they respond to the need of the Church where ever that is. Today they are in parishes, schools, retreat houses, universities, and prisons and they will continue to adapt to the needs of the Church in the future. Our own Carmelite priests are from the Order of Carmelites in India. For more information please see <http://www.ocarmindia.org/>
