Perhaps you've been wondering about.....

the role of relics in our church. In the Catholic vocabulary relics are the remains of the saints. We venerate them, not in themselves, but in honour of the holy people whom they represent, and in acknowledgement of the good work God has done through them. We venerate them as sacramentals. We do not credit them with miraculous power, but honour God as responsible for any miracles or good works done by the saint, or through the use of the relic. We acknowledge that God alone has the miraculous power. *(Based on Ministry Resource Update by Caroline Thomas)*

Father Leo – 50th Anniversary of Ordination

Our former Pastor, Father Leo Huard, O.Carm. is celebrating 50 years of Ordination!

This is an amazing reason to celebrate and he will be sharing this wonderful occasion with us here at the parish.

He will be preaching at all the Masses here on the weekend of June 13 / 14th and there will be a reception after the 5:00 pm Mass on Saturday, June 13th and after the Noon Mass on Sunday, June 14th.

Everyone is invited to come and share this important celebration.

Working wonders for those in our community...

"I searched the internet for "help young mother pregnant Mississauga" and I found Vita Centre. I was shocked to find out that there were complete strangers willing to help and guide young mothers to success. Even the resources that I have learned about from my counsellor has saved me so much time and hassle, and has given me hope that things will get better no matter how tough it may feel." shares Alyssa, who as a young mom, is now experiencing a brighter future, thanks to ShareLife-supported Vita Centre.

Last year, over 6.300 young parents received the care, counselling and educational support they needed to care for themselves and their new families.

Thank you for your generosity.

Together we can work wonders!

VITA CENTRE

(legally Vita Manor) is a charitable organization dedicated to providing life affirming community support to all pregnant and parenting women in Peel. Vita Centre takes leadership in promoting awareness and understanding of the impact of (un)planned pregnancy on families and the community.

The Board of Directors supports the work of Vita Centre and provides mission based leadership and strategic governance. While day to day operations are led by the Executive Director, the Board-ED relationship is a partnership and the appropriate involvement of the board is both critical and expected. The Board is currently seeking three (3) candidates to replace members who have reached the end of their term – September 2015.
