Are you interested in a new space for Filipino seniors (for all seniors as well) services and programs at the *new* Wychwood Library? The Wychwood Library is about to be renovated and expanded. As part of the renewed library, we have dedicated some space to the Filipino seniors in the community. **Other seniors programming will also be offered but there will be a special focus for Filipino seniors.** The renovated library will see construction begin in 2017 and finished in 2018. There will be a survey handed out and available to be filled out in the Parish Office starting September 25 until October 9th. This survey will help determine what programs and services that will be offered at Wychwood Library for seniors.
