PROJECT HOPE

Refugee Resettlement Campaign

Pope Francis spoke of the crisis: "As we witness the tragedy of tens of thousands of refugees that flee death in conflict and hunger and are on a journey of hope, the Gospel calls us to be close to the smallest and to those who have been abandoned." On **October 10/11** we will have a **Second Collection for Project Hope**. We have also began meeting with those parishioners interested in volunteering a generous amount of their time to our Project Hope Committee for the next 2 years with the intention of sponsoring a refugee family. Those wishing to offer their time, knowledge or resources please contact Angeli in the Parish Office.

DEVELOPMENT & PEACE'S CREATE A CLIMATE OF CHANGE CAMPAIGN

Did you know that the 10 warmest years on record have been in the last 15 years! The effects of climate change are escalating. Every decade since the 1970s it has been hotter than the decade before. But the good news is that we can act now to stop the effects of global warming for future generations. By changing the way we travel, consume, and use power in our everyday lives, we can drastically reduce our greenhouse gas emissions.
