THE GREAT RICE ROUND UP

Neighbour to Neighbour is asking people to help gather as much rice as possible for the Food Bank. Rice and dried whole grains are important healthy food staples. They are affordable, easy to prepare and store, versatile, delicious and nutritious. An abundance of rice and dried whole grains is key to providing healthy food service to families living with poverty. Your support will help many hungry families who need sustenance to stay healthy. Let's rally together and show our community that sharing food and caring for your neighbor is the best way!

HAMILTON MOUNTAIN FARMERS' MARKET

The Hamilton Mountain Farmers' Market sponsored by Sacred Heart Church begins its tenth year on Saturday May 20th, 2017 and will run Saturdays until November 4, 2017. The market is open from 7:00 a.m. to 1:00 p.m. The market is a True Farmers' market where all the produce is grown or produced on local area farms and sold by the farmers themselves. The market is located at the corner of Viewpoint and Mountain Park. Come out and support the farmers and enjoy the fresh seasonal produce!

MARRIAGE TIP

We live in a time of digital distractions: have you set boundaries around how you will prevent smartphones, tablets and other devices from impacting your life? Their interference has become so prevalent that researchers now have a term to describe it, "technoference," and it is real. How can you take control and decrease the negative impact: limit the amount of time you spend on and checking devices; make rules about digital use during time together; agree on when devices will be prohibited (at meals, on a date, in bed) and stick to it. Disconnect from your devices, not your relationship, and you'll both be happier!
