Overview

From March 5 through April 13, our community will unite in the public right-of-way outside Windsor Regional Hospital, Met. Campus and join many others from coast to coast – and internationally – for a major simultaneous pro-life mobilization – the 40 Days for Life campaign. Faithful believers are praying that these efforts will mark the beginning of the end of abortion.

Vision and Mission

40 Days for Life is a focused pro-life campaign with a **vision** to access God's power through prayer, fasting, and peaceful vigil to end abortion.

The **mission** of the campaign is to bring together the body of Christ in a spirit of unity during a focused 40 day campaign of prayer, fasting, and peaceful activism, with the purpose of repentance, to seek God's favor to turn hearts and minds from a culture of death to a culture of life, thus bringing an end to abortion.

Campaign Components

One of the strengths of 40 Days for Life is its simplicity. The campaign is made up of three key components:

Prayer and fasting: inviting people of faith throughout our city and across the country to join together for 40 days of fervent prayer and fasting for an end to abortion

Peaceful Vigil: standing for life through a 40-day peaceful public witness outside of Windsor Regional Hospital: Metropolitan Campus

Community Outreach: taking a positive, upbeat pro-life message to every corner of our community through media efforts, church and school outreach, petition drives, and public visibility.

If you'd like more information – and especially if you'd like to volunteer to help, please visit www.40daysforlife.com/windsor or email at windsor40daysforlife@gmail.com.

BEFRIENDING THE EARTH: ECO-SPIRITUALITY

Come and explore the spiritual dimension of ecology. The human community and the natural world are a single sacred community that took 15 billion years to evolve. When our rivers are poisoned and our air is polluted, our ability to know and love God is diminished. We are called to befriend the earth and heal our relationship with it not only because it sustains us, but because creation is a revelation of God's love. The day will include presentations, discussion, video clips, quiet time for reflection or journaling, some ritual, and celebration of the Eucharist.

Facilitators: Bruce Burton and Ferdinanda Van Gennip
Suggested offering: \$25 includes lunch

Thurs. Feb. 27, 1:00 - 4:00pm

THEOLOGY IN THE MOVIES: "SMOKE SIGNALS"

Theology in the movies is a series of recent films which we believe have connection to theology, faith and religious belief. After viewing the film a discussion on the film's content, plot, characters and themes to discover their "theological" relevance. *Smoke Signals* is a road trip about grace and forgiveness. Some of the themes are healing, identity and truth.

Facilitators: Joe Quinn csb and Janine Rocheleau snjm
Suggested offering: \$10 includes snacks
