Second Sunday in Ordinary Time January 19, 2014

Dear Friends;

I want to begin my message to you this week by asking the Ministers of the Word and Extra-ordinary Ministers of the Eucharist for your patience with the **new** scheduling procedure. Those who have been working on this new system ask for your patience as they try to work out some of the glitches. We will keep you informed.

During this cold and flu season I have been asked about the sign of Peace. You will see below, the directives from the Diocesan Office for Liturgy.

The Sign of Peace and Flu Season

The Sign of Peace is an ancient tradition where we greet one another in the Lord. Though it has functioned differently at different times in liturgical history, its consistency points to our belief in the Risen Lord and our full confidence in His power.

During flu season or should there be another pandemic of sorts and if advised by local health officials, the Diocese of London will ask parishes to refrain temporarily from this practice.

For now, use common sense, wash your hands, use hand-sanitizer when appropriate and if you are ill, please stay home, stay warm and stay well.

As Pastor, I encourage you, if you are not feeling well please stay home. The Lord understands that you need to get well. If you are still suffering from a cough, when we come to the sign of Peace, please simply bow to the person next to you and also refrain from receiving from the cup at communion time. This is just common sense. The Liturgy Office will keep us informed throughout the winter months about any further directives.
