## IN ORDINARY TIME

July 3 and 10, 2011

Dear Friends,

As we celebrate Canada Day on July 1<sup>st</sup>. and begin this month of July, I hope that as we begin our summer, that each of you will have an opportunity for some needed rest and relaxation with family and friends. With the summer upon us I want to remind you that during the summer, there will be bulletins every second week, and our summer office hours now begin, please note those changes in the bulletin.

I want to tell you that even though most of our groups, ministries and committees shut down for the summer months the committees for the new Church will continue to meet on a regular basis. The building committee is working hard with our Architect to finalize our plans and the Fund-raising Committee will be communicating and approaching those who have not yet given to our fundraising efforts. After our presentation in May and with the new reality of our 7 million dollar place of worship and facility, we had some new generous donors join in our efforts to build for our future. I once again ask you these important questions. Has your parish community been there for your baptisms, first communions, confirmations, weddings, funerals? Has your community of faith been there to pray for you or for loved ones who have been going through sickness or difficult times? This community just doesn't happen. We are the Body of Christ and we responsible for one another. Please consider your pledge/donation. You can help to keep our faith alive for years to come. If you have any questions, please contact me.

Finally, I remind you once again that over the next number of months, I encourage you to read the inserts on the implementation of the new Roman Missal and the information on Arise, the program that will begin later this year.

**Father Gary**
