Dear Friends:

I want to take this opportunity to once again thank all those who worked so hard to prepare for our Ground Breaking Ceremony last Sunday. First of all, a big thank you goes out to John Boglitch, Chair of the Ground Breaking Ceremony and his Committee as well as our Welcoming Committee. Together your hard work paid off and our celebration turned out absolutely beautiful. I must say that the large banner of the Architects rendering of our new Church and the art work of Eleanor Rindlisbacher was a great idea. The signatures of all those who attended this event are now on the banner and are part of the first piece of history for Good Shepherd Parish, Lakeshore. As a keepsake for all who attended, a vial of dirt from our new property and the formal prayer of blessing used that day, was an idea from Fr. Chris and Marguerite Hewer. It was a wonderful keepsake for all those who attended and thank you for the time and effort you put in to this creative idea. Brother Knights Council 9671, as always you are there when we need you. Thank you for setting up the tents and chairs (not easy in that hot sun) and for providing the refreshments. Both the cold refreshments and the tents helped tremendously in the heat of the afternoon. Also, I thank you for your ongoing generosity to our parish. Each year you have contributed to this project and continue to do so. A big thanks goes out to all the dignitaries who attended and spoke at the event. I was moved and I know all who attended were moved to see representatives of the founding families from both St. William and St. Gregory. Carol Emery represented the founding families of St. Williams, Emeryville and Mary and Rob Mason, the founding families of St. Gregory the Great Parish, Tecumseh. Thank you so much for taking the time to be with us that day and help bring our histories together. I want to thank our building committee under the direction of our Chair, Bill Altenhof and Past Chair, Chris Hales. Chris, your talk on Sunday helped us understand how much time and effort went into the planning of this project. What was so true about your talk was that at each step of the way, this committee always took great care to listen to concerns of our people and brought them to the table. Each committee including the Building, Communication, Fundraising and Liturgical Committee worked hard to raise monies, and represent the people who came to you with their concerns. Each of you did your very best to bring with us the important items and gifts of each community to our new community. We are so grateful. I thank Tony and Alex Toldo from the Toldo Foundation for being there. Without your help to purchase this new property, we would not have come to this point. Words cannot express our gratitude. To the Gagnons and some choir members from Emeryville, we thank you for providing the music for this event. You are always there when we need you and you truly enhanced our celebration. I also want to thank Angelo Fantuz for being our Master of Ceremony. You did a great job Angelo. And finally to the more than a 150 people who attended, thank you for your presence. You helped to make this event extra special. I had many people tell me because of other commitments they were unable to attend. Thank you for your prayers and ongoing support. A parishioner and photographer, John Liviero took some great pictures of this historical event. We hope to have them on our website in the next few weeks. Thanks everyone for all you do.
