## ASCENSION OF THE LORD June 1, 2014

Dear Friends;

I write this message to you today even though I am away because I wanted to share my sadness with you regarding the closure of St. Gregory School. St. Gregory School was opened more than 50 years ago because of a number of dedicated parents in our faith community who wanted their children to have the opportunity to have a faith based education. It has been a place where children could pray, learn about Christ and build a community that would share their Christian values with others. Someone recently called St. Gregory's School a "home away from home" for its students and I agree with this statement. The teachers and principals throughout my time with you have been outstanding and have helped your children grow in their faith.

This process has been a difficult one to say the least. I want to take this opportunity to thank those who worked so hard to save our school. You know who you are and so do I and I know as your pastor that countless hours and love for your school and your children were part your commitment to do everything possible to keep St. Gregory's open. I have admired your dedication and persistence.

We all had hoped that because of our very strong academic program, wonderful scores academically province wide, and so much more that we would have been one of the schools to remain open. But another decision has been made. I encourage all families to take your time to mourn this loss and please know that you have been in my prayers and will continue to be in my prayers over the coming months.

With this decision, you parents now have a difficult decision to make regarding the education of your children. As you make this important decision I encourage you to think about what is best for your child, and the promise you made at their baptism, "to do everything possible to raise your children in the ways of faith". I want to ensure you that as pastor, we your parish staff will be there to assist you in any way we can. With our children now being asked to attend St. Pius X we promise you our presence in the school as we have been present over the years at St. Gregory School. Do you know that we already have a number of students who attend St. Pius X that our parishioners of Good Shepherd Parish? Good Shepherd Parish has children in St. Pius X, St. Peters, St. Williams, St. John Brebeuf, Pavillon des Jeunes in Belle River as well as Sainte Marguerite, D'Youville, Saint Antoine, L'Essor, St. Anne's High School, Belle River High School and other public Elementary and High Schools. We have done our very best over the years to assist in the education of all children in our parish boundaries.

These are challenging times – for our families, our communities, our country, our church and our hurting world. At times like this I am reminded of the Scripture passage from Proverbs (29:18) that “without a vision the people will perish.”

Since I became your Pastor, I have been with many of you during joy-filled times and sorrowful moments. I have engaged in conversations with you, and continue to be amazed by the depth of your faith, particularly as you have responded positively to the “signs of the times” and walked together during the difficult days of closing parishes and now building a new faith community.

When I arrived 10 years ago, as your pastor and Episcopal Vicar of Essex Deanery, restructuring our parish communities took a lot of energy out of us. It was one of the most difficult things I ever had to do as a priest. As parishes were linked or consolidated or where new partnerships were formed, many throughout the Diocese faced loss and uncertainty. Yet, despite the grief that emerged because of what was lost, with courage many have begun to build anew – just like your grandparents and great-grandparents and those who built St. Gregory School – with hopes and dreams for the future. While many of you understandably feel drained from your hard work, I know that our Lord and God will give you the strength to get through the days ahead. I pray that the future of our Catholic Schools will fulfill their commitment to educate students and their families in the Catholic faith. I want to promise you that our parish staff and I know the staff of St. Gregory's School under the leadership of Linda Di Pasquale will be there for you doing this time of transition. I will remain diligent in my pursuit as your pastor to educate our children, teenagers and young adults in the faith and to build a strong community of faith for the future.
