Second Sunday of Lent

March 12, 2017

Remember! In 2004, a tsunami hit the coastlines around the Indian Ocean, resulting in 300,000 victims. In collaboration with its partners, Development and Peace provided emergency relief, completed the construction of 3,500 permanent homes and related infrastructure, and helped establish 26 community organizations.

Women are building an inclusive society in Indonesia. This week, Development and Peace – Caritas Canada is taking you to Indonesia to meet Risya, a 22-year-old Indonesian woman who has been blind since adolescence. Thanks to a workshop in Journalism offered by our partner the Association of Independent Journalists (AJI), this courageous young woman started to use her blog to write about the discrimination faced by women with disabilities and to encourage these women to believe in their potential. AJI has offered media workshops to 170 women and now they can make their voices heard

VOCATIONS

CORNER

As part of our ongoing commitment to promote and encourage all vocations within our parish family, we will present information each month to help develop our knowledge and understanding of each calling. This month, we focus on **religious life**. "Men and women in religious life must witness to values different (from) consumerism...they (are) people who show by the way they live their lives that "there is no half-way of compromise with the failed values of consumerism.'... "It means breaking out of the logic of many models of today's market economy or business strategies or policies of international solidarity." <https://www.catholicireland.net/religious-life-called-play-essential-role>. As we strive during this season of Lent to be ever-more God like in prayer, fasting and works of charity, we look towards the example of those in religious life who live these values every day which often contradict the norms of society. We thank them for their lives of service. For more information on all vocations please visit the Vocations kiosks located at each parish site. We continue to pray for all of you in your vocations.

CHRISTIAN CULTURE SERIES PRESENTS "I WAS A STRANGER AND YOU WELCOMED ME"

Exploring the Human Dimensions of Care to Refugees. Having left their home country due to conflict, violence, and persecution, many refugees now call the Windsor region home. The experience of transitioning to life in a new country can be a time of both great hope and enormous challenge. Leaders of local organizations that have been invaluable in the settlement process of many recent newcomers to Windsor area share their experience of providing on the ground care to refugees and also challenge us to find ways to work hand in hand with our new neighbours to build a better community for all.
