**POPE FRANCIS' PRAYER TO OUR LADY, HEALTH OF THE SICK**

*O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith.*

*You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us:*

### MARRIAGE TIP OF THE MONTH

**Marriage Tip 116.** Some people drift into their relationships over a number of years, but it can also be said that people drift out of their relationships as well. We can become complacent and take for granted all the nice things a spouse does for us and/or sometimes we stop doing nice things for them. Over time we compliment less, spend less time together, stop sharing our day, feelings, or hopes and dreams and suddenly lose sight of the other. When we continue to treat our relationship as new, taking the time to discover who the other is and complimenting them for it, we stay firmly attached instead of drifting apart.

### REEL JUSTICE FILM FESTIVAL

The **Reel Justice Film Festival** is back! We are excited to offer another year of engaging films, which spotlight issues of social, political, and economic injustice. **Join us January 27, 2022 at 7:00 P.M. for "There's Something in the Water"**. The film documents environmental racism in Nova Scotia, revealing a portrait of ecological and social disaster, where rural areas are plagued by toxic fallout from industrial development and your postal code determines your health. The **Reel Justice Film Festival** is a partnership between Development & Peace and the Bishop Farrell Library & Archives. Visit us online at <https://reeljusticefilmfestival.wordpress.com/> to view our 2022 schedule or to secure your spot at any of our virtual screenings!

### PARENTING TIP OF THE MONTH

**Parenting Tip 136.** Our children are, in many ways, like sponges absorbing all we say and do. Even when we think they aren't watching or listening, they are often taking in our comments, actions and attitudes. In fact, our influence lasts their entire lives and impacts them throughout their lifetime. Equally important is what we don't say about something they are seeing or hearing or doing, since silence is considered consent. Parenting takes constant work, which is why it is considered a vitally important vocation. The rewards, however, of seeing your children grow into healthy, strong adults is worth the effort.
