POPE FRANCIS' PRAYER TO OUR LADY, HEALTH OF THE SICK

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith.

You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

- Pope Francis, March 2020

PARENTING TIP OF THE MONTH –

Parenting Tip 139: Parents can become exasperated by the behaviour of their children yet may unknowingly be contributing to it by not practicing more control in some areas of their children's lives. You can help your child to be the best version of themselves by ensuring a balanced diet, by making sure they get enough rest (something severely lacking in many children), by ensuring they have lots of active movement each day and by praying as a family daily. Besides these proven benefits to children, there are other actions also proven to help: controlling screen time (all screens) to the recommended time for their age, spending quality time with parents every day, sharing meals as a family, ensuring they have downtime and are not too activity heavy and by knowing the right expectations to have for the age of your child. Many poor behaviours can be turned around when parents take on a strong leadership role in their families. (Family Ministry Office; 905-528-7988 ext. 2250)

MARRIAGE TIP OF THE MONTH –

Marriage Tip 119: Warmer weather brings with it “spring cleaning and maintenance” for our homes and gardens, so they can provide us with continued pleasure through the year. It is a perfect time to provide a little of that same maintenance to your marriage. Plan a quiet and relaxed time to talk about the care your marriage needs: are you spending enough time together, are you communicating well and on many topics, are you handling conflict in ways that won't harm your love, are there feeling that something is lacking? Take the time to ask what may need to be “tidied up” and then plan active solutions so that, like a well maintained garden, your love will continue to flourish. (Family Ministry Office, 905-528-7988 ext. 2250)
