### ***Mission Statement***

*As the Cathedral parish of the Archdiocese of Winnipeg, we welcome and serve all people on their faith journey as we promote and celebrate the Catholic faith in the living Christ. Through excellent liturgy, we are inspired to embrace social justice and diversity, and foster personal growth. In an atmosphere of acceptance, we encourage hopefulness, love and transformation.*

20th Sunday in Ordinary Time

Even one hundred and fifty years after it took place, the effects of the Civil War in the United States can still be felt. Even though the shifting population has tempered perceptions, those who work in the social sciences can still point to sections of the country where certain attitudes hold a greater sway than in others. And even though it may be unfair, there are times when a particular region will be categorized in a way that hearkens back to an earlier era. The battles of the war are still fought by teams who meticulously reenact the events in a harmless historical hobby. More nefarious are those who use code words and false ideas to resurrect an era that should be consigned to history.

The divisions that Jesus attests to in this weekend's Gospel spring from the real experience of the early Christian community in the first century of its existence. For some, Christianity was a dangerous philosophy that needed to be eradicated. Some of its propositions threatened the security of the state, like the worship of the one God and the equality of everyone before the Lord referenced in Paul's famous words to the Galatians: "There is neither Jew nor Greek, there is neither slave nor free person, there is not male and female; for you are all one in Christ Jesus" (3:28).

The Gospel today is not an encouragement to family arguments. Jesus is not asking households to be so rigorous that our faith becomes a point of contention. But the Scripture does allude to a stress point that many of us may confront in our lives. Being a believer means that sometimes we must take a stand. We are called to proclaim clearly what we believe and to do that when it may be uncomfortable for us. We won't necessarily become a martyr, but there are times when there is a cost to our faith.

*"There is a baptism with which I must be baptized, and how great is my anguish until it is accomplished! Do you think that I have come to establish peace on the earth? No, I tell you, but rather division. From now on a household of five will be divided, three against two and two against three."*  
 Luke 12:50-52

**The Virtue of Responsibility and Stewardship**

Stewardship says that every gift comes with four responsibilities. Do you receive the gift gratefully? Do you nurture and develop the gift? Do you share it with others, especially those in most need? Do you return your gift to God with increase? Stewardship is that simple really.

**Attention All Parishioners:**

If you have personalized envelopes, we would appreciate that you use them. We pay for these envelopes and do not want the money we pay for them to be wasted. It also ensures your donations will be correctly credited to you for your income tax receipt.

If you do not have personalized envelopes and are using the ones from the back of the church for your donations, please make sure you PRINT legibly, your name, address including postal code and phone number. If we cannot read the writing on an envelope, we cannot credit the donation to you for your income tax receipt. Also, there are several people with the same name in the parish. It is imperative that you have your address as well as your full name on the envelope, so we do not mix up donations.
