 Remembered on our Tree of Life

“So they left their father Zeb-
edee in the boat
along with the
hired men and
followed him.”

What did Zebedee think about all of this? His sons and his partners, James and John, suddenly left their post and followed Jesus. So there he stood in the boat with a crew of employees, but not one of his sons. We can't help but wonder whether Zebedee was in favor of this promise that his heirs would become "fishers of men." Most likely, this event was the cause of some familial tension.

Throughout the Gospels, Jesus instructs us to love and serve others for the love of God. But the Lord also makes it clear that our devotion to him is meant to trump our devotion to anything—or anyone—else. For our part, we are called to allow this divine allegiance to exist in those we love, even when it means a sacrifice for us as well. Parents for example, like Zebedee, are called to encourage their children to follow the Lord's call. A son or daughter's vocation to religious life certainly exemplifies this kind of sacrifice for a parent who might have had a different plan in mind. But in truth every son and daughter has a vocation from God and parents have the opportunity to support and assist their children as they seek to hear and follow God's special plan for their lives.

We don't know for sure how Zebedee responded to the vocation of his sons, but we know that James and John were counted among the Twelve Apostles and that their devotion and dedication helped to spread the Gospel to the ends of the earth. Regardless of what he might have thought as he stood in that boat, we can be quite sure that looking back now, Zebedee can rejoice heartily in the choice of his sons to leave their nets and follow Christ.

The 1st hour of our weekly income for God

Christian Stewardship acknowledges that everything we have and hold comes from God. All is given to us for our good and the good of the world. A Stewardship response calls us to return to the Lord the first fruits of all that we have been given. Traditionally for many, this means the first hour of our weekly income. At St. Mary's, we are asked to consider this measure of Stewardship as the beginning of our annual parish financial support. In Manitoba, the hourly minimum wage is currently \$11.15 per week. Therefore, the starting point for our financial offering should at least reflect this minimum. If the household is a dual income family, then the starting point of our gift would be \$22.30 per week. The goal of Christian Stewardship is to eventually grow toward true Christian Tithing, which means 10% of our total household income.

All gifts that we give to God always come back manifold!
