Mission Statement

As the Cathedral parish of the Archdiocese of Winnipeg, we welcome and serve all people on their faith journey as we promote and celebrate the Catholic faith in the living Christ. Through excellent liturgy, we are inspired to embrace social justice and diversity, and foster personal growth. In an atmosphere of acceptance, we encourage hopefulness, love and transformation.

14th Sunday in Ordinary Time

Opinion polls tell us that the public's view of government is at an all-time low. There was no Gallup poll in Galilee in Jesus' time. But Mark's Gospel this weekend gives us a pretty clear indication of what his fellow townsfolk thought of him. Instead of a hero's welcome as "the kid that made good" he is treated as the "the kid who has gotten too big for his britches." The townspeople's lack of faith actually impacted the ability of Jesus to be the mighty prophet in his native place. Mark writes: "He was not able to perform any mighty deed there."

The Gospel story is not about the importance of good poll numbers. Politicians are concerned about that-at least if they want to get reelected. Rather, the story is about the dynamic of faith in our relationship with God. We often "want" a lot of things from God, most notably answers to our prayers. But we need to "give" to the Lord, and for us that means a response to God's invitation to believe. We must acknowledge our utter dependence upon God, placing all our trust in him. We will then recognize the actions of God that take place each day for the mighty deeds that they are: God at work in our hearts!

Weekly Marriage Tip (courtesy of your marriage prep team)

Want to change your spouse? Change yourself. You might like to make your beloved perfect (in your eyes), but you'll have more success changing a weakness in yourself. One person's change sometimes prompts another's.

Remembered on the Tree of Life

When the Sabbath came he began to teach in the synagogue, and many who heard him were astonished. They said, "Where did this man get all this? What kind of wisdom has been given him? What mighty deeds are wrought by his hands!"

Stewardship – July 8 –14th Sunday in Ordinary Time

In today's Gospel the people in Jesus' own hometown were very upset by his teaching. The stewardship message is challenging and at times can make us feel a little uncomfortable. Our own friends and family may even question our commitment to this way of life. Yet, stewardship is exactly what is needed in a society that worships complexity, busyness, and the excessive accumulation of material goods. When questioned will you have the courage to take the risk of being a prophetic disciple who lives a steward's lifestyle?
