### ***Mission Statement***

*As the Cathedral parish of the Archdiocese of Winnipeg, we welcome and serve all people on their faith journey as we promote and celebrate the Catholic faith in the living Christ. Through excellent liturgy, we are inspired to embrace social justice and diversity, and foster personal growth. In an atmosphere of acceptance, we encourage hopefulness, love and transformation.*

11th Sunday in Ordinary Time

Growing season is in full swing in most of the country. As summer comes and lengthens, most gardeners will see the earliest fruits of their labors come to pass: tomatoes, spinach, asparagus, and lettuce. Spinach and lettuce tolerate the cool weather of spring, but a good bed of asparagus takes years to develop. Patience is rewarded with a harvest of crunchy stalks whose flavor surpasses that of any store-bought produce. Aside from corn, beans, and peas, vegetables whose seeds we actually eat, most seeds are tiny specks that belie the immense growth that is contained in their potential.

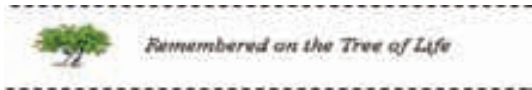

It is no wonder then that Jesus would use the image of a sprouting seed to describe the kingdom of God. After his death and resurrection, a few followers began spreading the good news about this man who offered salvation. The message sprouted in small communities around the Mediterranean and those adherents to the Way soon began to attract others. Even in the midst of bitter persecution the followers of Christ would refuse to abandon their faith. Like a stubborn, persistent plant, the believers refused to give up. The kingdom would continue to grow.

Even though the message of Jesus is two thousand years old, the kingdom of God still has a lot of room for growth. Like any plant, it needs to be nurtured, watered, and fertilized. That is our work as men and women who believe in Christ. We have to act on the teachings of Jesus in our lives each day. But also like any plant, it is God who gives the growth. We should not be so presumptuous as to think that if we just care for enough poor or preach enough sermons or teach enough children, that the kingdom of God will come about. It will come to fulfillment, but in God's good time.

*"To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants."

**Stewardship – 11th Sunday in Ordinary Time**

Today's First Reading and Gospel speak of tiny seeds and sprouts that grow and glorify God. Stewardship, like faith, begins as a seed planted in our hearts and minds. Through the grace of God, hearts are changed. It follows that a lived experience of stewardship changes the way we think and the way we live. Like a tiny seed our stewardship then grows into a way of life that magnifies our Lord.

**Happy Father's Day**

**Blessed indeed is the man who hears many gentle voices call him father!**

**A Father Is:**

There in every memory  
See his love and care  
Strength and hands to count on  
Freely he does share  
Provider, toil so faithfully  
To make our dreams come true  
Give strong and tender discipline  
Though it is hard to do  
A Father is God's chosen one  
To lead the family  
And point it to His will for life  
Of love and harmony...
