The Ascension of the Lord

"So then the Lord Jesus, after he spoke to them, was taken up into heaven ... But they went forth and preached everywhere." What a roller coaster of emotions the disciples must have experienced. First, they had come to know Jesus and had changed their lives to follow him. Then they had watched him die a tragic death on the cross. Following that, they were astonished to experience the glory of his resurrection, and then they enjoyed his company for a while longer. But now, they had to bid farewell again. Now they watched as Jesus ascended into heaven, leaving them with their instructions: "Go into the whole world and proclaim the gospel to every creature."

It's inspiring to see how the disciples handled all of this. Even though they must have been struggling with a kind of sadness or disappointment when Jesus left them, they didn't dwell on that. They went out and did what they had been called to do. They "preached everywhere" and shared with others the good news. Focusing on the joy they had come to know through their relationship with Jesus, they were able to share that joy with the people around them.

Like the first disciples, we are also called to share the gospel with others. Certainly through our lived example we should reveal to others the joy that Jesus brings. Even though he is not physically walking amongst us, the lives of Christian believers reveal an ongoing relationship with him. There may be times and situations, however, that require more of us than just being witnesses. Sometimes God calls us to share more directly and more courageously the message of faith. May we follow the example of the disciples, who readily embraced this call.

So then the Lord Jesus, after he spoke to them, was taken up into heaven and took his seat at the right hand of God. But they went forth and preached everywhere, while the Lord worked with them and confirmed the word through accompanying signs.

**LIFE'S VISION - RESPECT LIFE WEEK
MAY 10 - 17, 2015**

This week has been set aside as a time to reflect on the value of
human life. In our society which now tolerates abortion
without qualification, the need for a continuing strong voice on
behalf of babies in the womb is more important than ever. At
the same time, years of killing pre-born babies has set the stage
for the next assault on human life - euthanasia. Last weekend
you were given **Respect Life Week** offering envelopes. Your
donation will help pro-life education in Manitoba.
