SAVORING THE EXPERIENCE

One of the wonderful things about vacations is the time we spend two or three weeks afterward savoring the experience, sharing vacation photos and memories with our family and friends. This kind of reflection puts us back in touch with the original experience and reminds us of the relaxation and wonder the vacation afforded us. Today, on the Third Sunday of Easter, the Church blesses us with reminders of what we celebrated two Sundays ago. All three readings are reflections on the meaning of the death and resurrection of Christ. One of the threads running through these reflections is that the purpose of the Lord's suffering, death, and resurrection was to save us, to forgive our sins. We are given fifty days to ponder this reality—fifty days to savor the experience of Christ's dying and rising for us. Copyright © J. S. Paluch Co.
