Twenty-Third Sunday in Ordinary Time

September 6, 2015

You, the people who make up Assumption Parish, are *amazing*! So many of you came to Assumption Church on our patronal feast—some estimates were around 600.

Even more impressive was the following day: around 400 of us gathered for the parish picnic. You braved the high temperatures and hot sun, and waited around while we went out for more meat, making what many told me was the largest gathering of its kind that Assumption has had.

I hope each of you realizes just how important you are to the parish. Whether we sink or swim depends on the dedication, presence, and commitment of the people in the pews, not the ones up at the altar.

As I write this, I am on holidays in Texas. I'm here for a family celebration. (Over 60 of us were together to celebrate birthday milestones!) As you read this, I'll be back home among you, and we will be celebrating Labour Day. I hope that everyone has had the opportunity to take at least some time to get away from routine and taken time for rest and renewal this summer. And now as the school year begins, and summer holidays have ended, we come together in earnest.

The Letter of James reminds us of the importance of each and every one of us. It is not just the powerful and the moneyed who are special in God's eyes. In fact, the labour movement reminds us of that very thing: we are each special in God's eyes. We each contribute something important to the whole—regardless of our education, social status, finances, physical or mental abilities, or anything else. I pray that every one of us can discover how special we are to God, and help others to do so as well.

J. Maurice

LITURGY CORNER

The Assumption Parish bulletin will have a new feature entitled "Liturgy Corner." Each week we'll address a topic related to how the Church worships. These will include what liturgy is, some history and background about the Church's liturgical life, liturgical ministries and liturgical space. Eventually I will take liturgy-related questions from parishioners, so start thinking about what we do at mass and what more you'd like to know. For example: Why does the priest wear certain colors? Has the Mass always been the same? How important is liturgy to the life of the Church? Why dip our hand in holy water and make the sign of the cross as we enter a church? What is liturgical ministry? Has the Church adopted a certain style of architecture?

Rediscover Your Marriage – Retrouvaille

(pronounced retro-vi with a long i) simply means 'rediscovery'.

The program offers the chance to rediscover yourself, your spouse, and a loving relationship in your marriage. 10's of 1000's headed for divorce have successfully saved their marriages by attending. Retrouvaille is not a spiritual retreat, not a sensitivity group, not a seminar, not a social gathering.
