Parking Lot

Sometimes, when there are events at the university on Sundays or Saturday evenings, you will have noticed a bottleneck at the entrance to the parking lot, and you can't get into the parking lot or onto the street as quickly as you would like.

We appreciate your patience in these circumstances. We could simply close the lot to all but parishioners, but we would lose considerable income which is vital for the restoration of the church. We count on your gentleness with each other and the parking attendants.

Similarly, you may occasionally be questioned upon entering the lot, especially if the attendant is new on the job.

Please accord them every courtesy. Theirs is not an easy job.
